ANNUAL SCHOOL SUPPLY DRIVE

As part of its *Citizens Cares* initiative, Citizens Community Credit Union is again hosting its annual school supply drive this summer to help students at local schools whose families may not be able to afford the basic supplies they need to succeed in the classroom.

If you'd like to get involved, you can drop off a donation of new school supplies at any of our locations or make a monetary donation now through August 1st.

Following the conclusion of the drive, staff members at each branch location will deliver the donated supplies to their local schools before the first day of class so that teachers and administrators can distribute them to students who are in need. **Thank you for your support!**

About Citizens Cares: *Citizens Cares is an employee-directed initiative that embodies the spirit of community generosity and giving back, which is the mission of our credit union. Employees meet and choose community projects to support. Many of the nonprofit organizations selected have a personal connection with members of the Citizens staff.*

SCHOLARSHIP WINNERS

Citizens Community Credit Union is proud to announce this year's scholarship winners. Four \$500 scholarships were given to graduating seniors from the thirty-three county area in North Central Iowa served by the credit union. Recipients were determined based on involvement, community service, work experience and an essay.
